

MR. DUCKETT

Carl:

Attached is the revised DDS&T Vu-Graph on Growth of the Directorate. Please note that the figures have been revised and have been extended from 30 July to cover the period 30 September 1967.

Regarding the additional Vu-Graph you requested this morning on the allocation of R&D funds (PIE Chart), [REDACTED] is giving it maximum effort to have it available within the next hour. Perhaps Lloyd may not use the Vu-Graph but we'll have it ready any time you need it.
